

Check-in & get your Smart Key prior to arrival, meet other guests & find out what's on where you're staying.

SmartKeys

Your phone is your key. Access your room with the tap of a button.

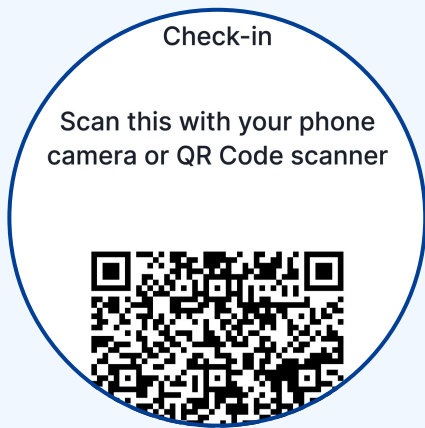

CHECK IN STEP:

Step 1: Pre Check In from GOKI before your arrival

Before arriving, refer back to the confirmation email and locate the "Check In Now" button. Once complete you will receive another email with your room number.

Step 2: Arrival

Scan the QR code placed at the reception counter. Enter your confirmation number as well as confirm your last name.

Step 3: Access

An email will be sent with your unique door code. Type the code as shown on your door lock followed by the check mark and enjoy your stay! The smart locks tend to go offline in between uses, so try tapping the screen first to wake it up.
